Achieve Organizational Zen

## Demo Mode

Demo Mode gives you an example of Stor.Guru functionality and how it can be used to organize your things. You can see below a diagram of how the items in Demo Mode are laid out. Interact with the items by scanning their corresponding QR Code. Try changing their information, adding photos or organizing them in a different way! Click the Demo Mode button on the Stor.Guru home page or Scan the Demo Mode QR Code on the right to get started.
